Updated Guidance on BPR requirements for Human Health Information

March, 2022

ECHA has published an update to the guidance document for the Biocidal Products Regulation (BPR) Volume III – Human Health - Information Requirements (Part A).

The update aligns the guidance with the new information requirements of the BPR (Annexes II and III) amended by Regulation (EU) 2021/525, which will enter into force on 15 April 2022.
