

Your Specialties, Our Expertise

# Dedicated Support "Régie"

## Embedded staff

- Our consultants work from our clients sites

- Combining our high-skilled expertise (toxicology, expology, ecotoxicology, regulatory expertise, product stewardship) with our diverse business sectors (Biocides, Chemicals (REACH), Cosmetics, Global Chemical Notification, Industrial Hygiene, Medical devices, Packaging, Pharmaceuticals, Plant Protection), CEHTRA propose a **Dedicated Support** by outsourcing its team resources to its clients.

In France, this outsourcing contract is known as **Régie**.

## Extended staff

- Our consultants work from our offices, but exclusively for our customer

- Dedicated Support **maximizes flexibility for CEHTRA clients** ; the contract can be as short as one month or it could be for a long-term, part time or full time. It can be extended as many times as needed.
