

Junior QSAR consultant: (eco)toxicology

Type of contract	Full time (CDI)
Speciality	<i>In silico</i> /QSAR modelling, (eco)toxicology
Date of start	ASAP
Place of work	Paris area

**Do you have a passion for *in silico* New Approach Methodologies?
Broaden your horizons and enrich your career with CEHTRA!**

Purpose

- Contribute to the development of Simply Predict® : a rapidly-growing CEHTRA service dedicated to the application of *in silico* solutions (notably QSAR and Read-Across) to meet the R&D and regulatory needs of CEHTRA clients (<https://www.simplypredict.ai/>).

Key missions

- Work in a multidisciplinary team of *in silico* & (eco)toxicology experts; provide *in silico* consulting support for CEHTRA clients (REACH, Pharma, Cosmetics etc.).
- Compilation of reports summarizing the *in silico* methodology applied and key conclusions drawn by CEHTRA experts. Preparation of supporting documents in case of regulatory submissions (e.g. QSAR Prediction Reporting Formats for REACH dossiers).
- Contribution to Research & Innovation projects requiring CEHTRA's *in silico* expertise.

Profile required

Studies :

- Holds a recent PhD degree in QSAR modelling for (eco)toxicology endpoints.

Experience :

- Prior experience of working with QSARs for (eco)toxicology endpoints.
- Notions of regulatory frameworks (REACH, ICH M7, Cosmetics etc.)

Skills :

- Fluent French & English
- Organisational skills
- Good communication
- AI tools (e.g. ChatGPT)

Qualities :

- Eagerness to learn
- Teamwork
- Problem-solving

Position open to people with disabilities: flexible recruitment process (videoconferencing), possibility of teleworking and flexible working hours.

Why join CEHTRA?

CEHTRA is a social economy company and French leader in the prevention of chemical risks to people and the environment.

CEHTRA offers rich and diversified career paths in expertise and management.

CEHTRA is part of the H2B Group, a forerunner in conformity assessment for climate, health and the environment. CEHTRA is present in the world's most dynamic product registration markets: Chemicals, Cosmetics, Biocides, Plant Protection, Pharmaceuticals, Veterinary, Packaging, Medical Devices, etc.

CEHTRA is headquartered near Bordeaux, with offices in France (Lyon, Paris), Germany, Spain, the UK, Canada and India.

Compensation

Profile and experience required.

Benefits :

- Additional leave (JNT/RTT)
- Seniority bonus
- Hybrid teleworking
- Mutual insurance 100% covered
- 60% of meal vouchers paid
- Sustainable mobility package
- Company savings plan and matching contributions
- CSE ticketing
- Sport: challenges and special rates
- Unlimited tea and coffee
